### Brassed Off

*"The venue was transformed by an imaginative creative team..."*

*"...the actors kept their Yorkshire accents and pace going well..."*

*"...the band...played a beautiful rendition of 'Danny Boy' from the main foyer."*

*"Costumes were excellent with considerable attention to detail..."*

*"...commendable and sustained performances..."*

*"Together with ensemble, good sound and lighting support from technical, stage crew, Director Emma's attention to detail, active movement and band collaboration created an enjoyable opening night experience."*

Just a few quotes from the excellent NODA report on our April production "Brassed Off" by Paul Allen, in collaboration with Uckfield Concert Brass.

Audience members' comments included "very enjoyable", "it is nice to see a play", "the band were marvellous" and "when is your next show?"

A true team effort that was a huge success!
